HET BASTION EVENT CENTER

Female-led

ABOUT

Het Bastion Event Centre, established in 2017, is located in Nieuw Amsterdam on the right bank of the Suriname River in the Commewijne district.
The resort consists of a main building with a lobby and 9 rooms, 5 large and 4 smaller ones on the upper floor, each with a double bed, bath and toilet, WiFi and TV.
On the ground floor there is 1 spacious guest suite (the Bastion Suite) with a kitchenette and dining area, hitmaker, bedroom, spacious bathroom with toilet and jacuzzi.
On the grounds are 3 adjacent identical apartments, each accommodating 4 guests. Each apartment has 2 bedrooms with a double bed, bath and toilet, kitchen, sitting and living room, WiFi and TV, as well as a balcony.
On the street side is Café de Lantaern with an indoor and outdoor terrace, catering to the needs of domestic and international tourists, offering various snacks, drinks and hot meals.
On the street side, 2 small units and 1 large unit are available for setting up, for example, a tourist shop, gym or exhibition space.
Het Bastion Event Centre has its own parking lot for 40 cars.
A completely renovated pool with 2 jacuzzis, sun loungers, parasols, cabanas and the PALISADE pool bar.
A banquet/meeting room with basic audio and visual equipment, air conditioning and WiFi accommodates 100 people for a standing reception or 80 seats in theater layout.
The outdoor TAMARINDE restaurant offers a variety of dishes, including a fusion of international and Surinamese cuisine. The ingredients are mainly sourced from local growers/farmers. The restaurant's main product, i.e. its specialty, naturally consists of the many fish species that Suriname has to offer. Het Bastion is located in the middle of a fishing village, so fresh fish is always available. The restaurant is also the venue for large (dance/music) events.
The Bastion Pier offers a view of the Suriname River.
