RESEARCH SURVEY

NIKOS (NGO Instituut voor Kader Ontwikkeling en Onderzoek in Suriname)

ABOUT

NIKOS specializes in research, advisory, capacity strengthening, and program management. The organization conducts qualitative and quantitative research, including national surveys, evaluations, focus groups, opinion polls, and policy studies. In addition, NIKOS supports governments, international organizations, NGOs, and companies with policy development, strategy formulation, project implementation, and monitoring. With over 25 years of experience and projects in all districts of Suriname, NIKOS regularly works for organizations such as UNICEF, UNDP, IDB, ministries, and private enterprises.
