RECRUITMENT

International Manpower Recruitment Suriname

Female-led

ABOUT

1. International Recruitment and Selection. We specialize in recruiting highly qualified and skilled workers from abroad. Our target group consists of companies that need personnel with a strong work ethic and specific professional expertise. 2. Local Recruitment and Employment Mediation (Suriname). In addition to our international task, we serve the Surinamese market with a strong local focus. Target group: Surinamese and international companies looking for readily deployable talent on the Surinamese work floor.
