MARKETING COMMUNICATIONS

Dorff Design

ABOUT

Dorff Design is an online marketing and web design agency from Paramaribo that focuses on helping businesses increase their online visibility, customer reach, and conversions. The company offers a broad range of digital services for both small business owners and larger organizations. Dorff Design's main products and services are:

Web design and website development. Dorff Design develops professional, custom WordPress websites for businesses in various sectors. The focus here is on modern design, user-friendliness, mobile optimization, and performance. The company guides clients from the initial concept through to final delivery, and also provides support and maintenance for existing websites. Websites are designed with attention to speed, conversion, and search engine friendliness. This service includes, among other things: business websites, one-page websites, portfolio websites, website management and maintenance, technical optimization, responsive design for mobile and tablet, website optimization for SEO.

Search Engine Optimization (SEO). An important service of Dorff Design is SEO (Search Engine Optimization). Through this, the agency helps businesses become more visible in search engines such as Google. The focus is on increasing organic traffic and improving search results through technical optimization, content strategy, and link building. SEO services include: technical SEO, on-page optimization, keyword research, link building, optimization of website structure, improvement of loading times, local SEO for businesses in Suriname.

Google Ads and SEA campaigns. Dorff Design also offers SEA services (Search Engine Advertising) via platforms such as Google Ads. The goal of this is to make businesses directly visible to potential customers who are actively searching for products or services. Campaigns are set up based on target audiences, search behavior, and budgets.
