TRAINING VOCATIONAL

Suriname Port Training Institute

Female-led

ABOUT

The Suriname Port Training Institute is a joint venture within the cooperation between the Suriname Port Management Company / N.V. Havenbeheer Suriname and Port of Antwerp-Bruges International. This joint venture aims to offer high-quality capacity-building programs specifically tailored to the needs of the maritime and logistics sectors in Suriname and the Caricom region. SPTI serves as a regional center of expertise, focused on knowledge transfer, strengthening technical competencies, and developing leadership within the sector.
