ABOUT

Saima Fire Protection provides quality and professionalism in fire protection services to our customers throughout Suriname since 2011. Saima Fire Protection has a proven history of providing effective fire services to the community and commercial industry. The Saima Fire Protection team is dedicated to maintaining high standards of customer satisfaction, knowing they are protected in a time of need. Saima Fire Protection strives to have the appropriate firefighting equipment for a specific type of fire, knowing where to place it and how to use it. Saima Fire Protection sets itself apart from the competition through our strong relationships with customers and employees, innovation, and time-tested quality work. Our goal is to provide better customer service than any other contractor. We accomplish this through personal relationships with our customers and ensuring that they are completely satisfied with our work. Our Mission and Goal define our company. Our mission statement and our goals are more than just words. They are the essence of who we are and what we strive to achieve — every day. Simply stated: Saima Fire Protection N.V. is committed to conducting its operations in a responsible manner. Our goal is to provide efficient fire protection services while striving to achieve the highest quality.
