ABOUT

QuartZy Consultancy offers four core activities:
1. Project Management & Consultancy. We support organizations in initiating, planning, executing, and managing projects. Our services include project coordination, project preparation, stakeholder management, procurement guidance, process improvement, project monitoring, and strategic advice. We have experience with projects in a wide range of sectors.
2. Training & Coaching. We provide training, workshops, and coaching programs aimed at strengthening professional skills. Topics include project management, leadership, communication, time management, team development, stakeholder management, and personal effectiveness. Our training is practice-oriented and tailored to the needs of the organization.
3. Event Management. We support companies and organizations in planning, organizing, and executing conferences, seminars, corporate events, networking events, anniversaries, team-building activities, and other business gatherings. We provide both the project-based preparation and the operational execution.
4. Organizational Development & Team Building. We guide organizations in organizational development, change processes, and strengthening teams. Through assessments, workshops, team-building activities, and facilitation, we help organizations sustainably improve collaboration, engagement, and performance. With a combination of international expertise, practical experience, and a results-oriented approach, QuartZy supports organizations in achieving their strategic objectives and creating sustainable value.
