HOTEL ACCOMMODATION

HOTEL ELEGANCE NV

ABOUT

Elegance Hotel & Casino offers a wide range of services within the hospitality and entertainment sector. Our main services include comfortable hotel accommodation for both business travelers and tourists, equipped with modern facilities and personal service. In addition, we have meeting and event facilities for conferences, training sessions, business gatherings and social events. Through our restaurant and catering service we provide breakfast, lunch, dinner and custom arrangements for groups and events. Furthermore, we operate a casino where guests can enjoy various entertainment options in a safe and professional environment. Through our combination of accommodation, food and beverage, meeting facilities and entertainment, Elegance Hotel & Casino offers a complete range of services for both local and international guests.
