EQUIPMENT PRODUCTION LEASING

Wheelz Car Rental & Lease Services N.V.

ABOUT

Wheelz Car Rental & Lease Services N.V. is a leading mobility and automotive company in Suriname that provides both private and business clients with complete mobility solutions. From its location in Paramaribo, Wheelz has developed into much more than just a car rental company; the company has grown into a full-service partner for mobility, fleet management, and high-quality off-road solutions.
Car rental: Wheelz offers an extensive fleet for both short and long rental periods. Customers can choose from: * Economy passenger cars * Sedans * SUVs * Double cab pick-ups * Luxury vehicles * 4x4 off-road vehicles * Business fleet vehicles: All vehicles are professionally maintained and insured, so customers can count on safety, reliability, and comfort. The rental services are suitable for: * Tourists * Businesses * NGOs * International organizations * Government institutions * Project organizations * Mining and oil companies * Long-term expats Operational Lease: Wheelz specializes in operational lease for both small businesses and large companies. This form of leasing includes, among other things: * Vehicle financing * Preventive maintenance * Repairs * Insurance * Tires * Registration * Road tax * Replacement transport if needed * Full fleet management: This allows companies to focus entirely on their core activities while Wheelz handles complete fleet management.
Fleet Management: For organizations with multiple vehicles, Wheelz offers professional fleet management. This includes, among other things: * Maintenance planning * Cost control * Mileage registration * Reporting * Damage management.
