ARCHITECTS SURVEYORS ENVIRONMENTAL

# *Architectenbureau CL*

## ABOUT

Design and structural/technical development of various residential homes, either single-story or with an additional floor, apartments for permanent use or for weekend stays, and combinations of a freestanding garage, storage, and gazebo — all based on the future client's program of requirements. Every elaboration of an assignment fully complies with the requirements of Openbare Werken (Public Works) for obtaining the building permit application at OW RO. In addition to new-build projects, there is also expertise in the renovation of residential homes.
