Relocation, Expat Services & Technology N.V. (REST N.V.)

Female-led

ABOUT

REST N.V. is a Surinamese service company that supports businesses, international organizations, expats, investors and private clients with relocation, legal services, HR matters, real estate guidance and the establishment of companies in Suriname. The services are tailored to the specific circumstances of each client and can be offered either as a stand-alone service or as part of a fully integrated program.

1. Relocation and expat services: REST N.V. assists foreign employees, entrepreneurs and their family members with their move to and stay in Suriname. The company acts as the local point of contact for both the expat and the employer. The services include, among others: guidance with immigration, residence and work permit procedures; support with the collection, review and submission of required documents; coordination with relevant government authorities and other involved parties; preparation and guidance for arrival and settlement in Suriname; orientation programs on living, working and life in Suriname; support with local registrations and practical formalities; guidance with banking, utilities, telecommunications and insurance; support with school choice and family-related arrangements; airport pick-up and arrival assistance; settling-in services and support during the initial period of stay; guidance with departure, deregistration and completion of local obligations. REST N.V. can carry out these services for individual clients, but also as a structural relocation partner for employers who regularly transfer foreign employees to Suriname.

2. Housing and real estate guidance: REST N.V. supports clients in finding suitable temporary or long-term housing. This takes into account, among other things, the available budget, the desired location, safety aspects, and family composition.
